FOREWORD

A stride of 19 years, steps of progression leading to achievement of its mission and vision, Venkateswara College of Education is on the path of success of producing teachers who are competent. Teachers are the architects of society who design the mind of young children with values very much essential for the nation's future. The teachers trained in our institute are efficient, proficient and skilled and disciplined.

"The future starts with the next generation. With education, we are empowering our youth and deciding what kind of world they will live in."

"The most important single ingredient in any successful educational system is . . . good teachers."- David Sarnoff

It's another year of creative work, a new magazine, a proof of hard work and creativity. I wish this year's magazine would serve the purpose of edifying the young generation.

Shree M. DHANASEKARAN

**Chairman and Managing Director,
SMVET**

FOREWORD

“Learning is the key to success in life and there is no limit to skills children can acquire.”

To train children in various skills the teacher must acquire the necessary skills and that is done in Venkateswara College of Education. By sheer effort the college has succeeded not only in producing excellent teachers but also remarkable citizens.

“When you teach another person, you don’t teach them the subject that is in your head. You instead teach them how to think.” – Susan Sippey

The thought and expression of the teachers-to-be are reflected in the magazine they have produced this academic year also.

Wish you success in your endeavor.

Shree V.SUGUMARAN

Vice - Chairman

SMVET

FOREWORD

In everyone's life there is one teacher whose words remain engraved in the heart and soul for a lifetime and it is that teacher we produce in our renowned institute Venkateswara College of Education. The college is on the right path of producing teachers who are capable of moulding the young children into disciplined and worthy citizens that our country needs.

“Education is not the filling of a pail, it is the lighting of a fire.” -

W.B. Yeats.

Teachers enlighten the budding doctors, engineers, scientists and entrepreneurs. **A good teacher can inspire hope, ignite the imagination, and instill a love of learning.”** Brad Henry.

The above saying is seen in the way they exhibit their skills through the magazine they have produced this year too. Let their work continue to be a success.

Dr. K. NARAYANASAMY

**Secretary
SMVET**

FOREWORD

Venkateswara College of Education has been marching steadily towards victory from 2005 with a clear vision of producing teachers who could open the mind and touch the hearts of children. Eighteen years of successive success cannot be achieved hands down. Gaining new knowledge, experience and achieving the goal is not an overnight attainment. Introduction of new methods, use of technology has brought out the desired outcome.

“For teachers, knowledge is not a fixed commodity that can be easily transmitted by rote. It is a fluid, complex, and interactive process of exchange.” – Chinua Achebe

This year’s magazine is a proof of hard work of VCE.

May it help them to achieve their goal!

Shree DATCHNAMOORTHY

**Registrar
SMVMCH**

FOREWORD

A college magazine is a mirror that reflects the efforts of Management, staff and students. I appreciate the efforts put in by the team to produce a magazine with the events of the academic year 2023-2024. I hope the creative work and involvement in various activities would enhance the professional skill of the student teachers as quoted by Albert Einstein and by the Canadian Prime Minister Justin Trudeau.

"It is the supreme art of the teacher to awaken joy in creative expression and knowledge." –Albert Einstein

“A good teacher isn’t someone who gives the answers out to their kids but is understanding of needs and challenges and gives tools to help other people succeed.” — Justin Trudeau

I wish you great success.

Dr. K. CHELLAMANI

DEAN

**SCHOOL OF EDUCATION
PONDICHERRY UNIVERSITY**

ABOUT THE COLLEGE

Sri Manakula Vinayaga Educational Trust established Venkateswara College of Education to impart quality education to the teacher trainees who are the backbone of our country. A wide range of career opportunities are available today to the teaching community and this is sought to be facilitated by our Trust. Venkateswara College of Education, a self financing institution was established in the year 2005 by obtaining due permission from the Government of Puducherry, recognized by the National Council for Teacher Education, Southern Regional Committee , Bangalore and affiliated to the Pondicherry University, Puducherry.

Vision

To bring about in renaissance much required for true education i.e. integration of mind, body and soul.

Mission

Teaching and Learning are dynamic, interactive life-long process. Hence our Mission is to prepare teachers who will be executive leaders and passionate life-long learners and assume top position. Formerly Teacher Education centered on teaching, but now, the scenario has changed from teacher- centered to child – centered Education and there is a shift from “Teaching” to “Learning”. Our educational objectives are based on this perspective and are set to bring about the overall personality development of our student teachers.

Objectives:

- ⇒ Motivate the children to learn
- ⇒ Understand and practice various methods of teaching to facilitate learning
- ⇒ Organize different ways of learning
- ⇒ Create proper classroom climate which is conducive to learning
- ⇒ Select and use appropriate technological aids for learning
- ⇒ Handle multi grade situations to promote learning
- ⇒ Effectively use assessment of achievements

Infrastructure

- ⇒ Spacious Classrooms and seminar halls with proper ventilation.
- ⇒ Well-equipped laboratories for Physical science, Biological science and Psychology.
- ⇒ An automated library, well furnished providing reading and borrowing facility.
- ⇒ Caring, supportive and nurturing campus environment.
- ⇒ Canteen on campus
- ⇒ ICT lab and language lab providing individual learning facility.
- ⇒ Well experienced and qualified faculty members.
