FOREWORD

A stride of 20 years, steps of progression leading to achievement of its mission and vision, Venkateswara College of Education is on the path of success of producing teachers who are competent. Teachers are the architects of society who design the mind of young children with values very much essential for the nation's future. The teachers trained in our institute are efficient, proficient and skilled and disciplined.

"The future starts with the next generation. With education, we are empowering our youth and deciding what kind of world they will live in."

"The most important single ingredient in any successful educational system is . . . good teachers."- David Sarnoff

It's another year of creative work, a new magazine, a proof of hard work and creativity. I wish this year's magazine would serve the purpose of edifying the young generation.

Shree M. DHANASEKARAN
CHAIRMAN AND MANAGING DIRECTOR,
SMVET

FOREWORD

**In everyone's life there is one teacher whose words remain en-
graved in the heart and soul for a lifetime** and it is that teacher we produce in
our renowned institute Venkateswara College of Education. The college is on the
right path of producing teachers who are capable of moulding the young children
into disciplined and worthy citizens that our country needs.

“Education is not the filling of a pail, it is the lighting of a fire.” -

W.B. Yeats.

Teachers enlighten the budding doctors, engineers, scientists and entrepreneurs.

**A good teacher can inspire hope, ignite the imagination, and instill a love of
learning.”** Brad Henry.

The above saying is seen in the way they exhibit their skills through the magazine
they have produced this year too. Let their work continue to be a success.

FOREWORD

It gives me immense pleasure to pen this foreword for the annual edition of our college magazine — a platform that captures the spirit, creativity, and achievements of our vibrant academic community. This publication is more than just a collection of events; it is a mirror reflecting the intellectual vigor, artistic talent, and diverse voices of our students and faculty.

A college magazine serves as a bridge between the present and the future, chronicling memories, milestones, and moments that define our journey together. It showcases the wide spectrum of ideas that thrive on our campus — from academic excellence and innovation to social engagement and cultural celebration.

I extend my heartfelt congratulations to the editorial team, contributors, and everyone who worked tirelessly to bring this issue to life. Your dedication has turned pages into possibilities, and words into inspiration.

To our readers — may this magazine not only inform but also encourage you to dream, create, and contribute with renewed enthusiasm.

SMVET

FOREWORD

It gives me immense pleasure to present this edition of our college magazine, a vibrant reflection of the academic year gone by. This publication is more than just a chronicle of events—it is a celebration of the spirit, creativity, and accomplishments of our students and faculty.

Throughout the year, our campus has witnessed a multitude of events—academic achievements, cultural fests, technical symposiums, social initiatives, and sports triumphs—all of which have been captured within these pages. The photograph, and report reflects the energy and enthusiasm that define our institution.

The magazine stands as a testimony to the collective efforts of our college community, showcasing not only the milestones we've reached but also the journey we undertook to get there. It provides an opportunity for reflection, appreciation, and inspiration as we continue to pursue excellence in education and personal growth.

I extend my heartfelt gratitude to the editorial team, contributors, and faculty members who have worked diligently to bring this magazine to life. May this publication serve as a lasting memento of a memorable academic year and continue to motivate us in the years to come.

Ar. S. VELAYUDHAM
Joint Secretary
SMVET

FOREWORD

Venkateswara College of Education has been marching steadily towards victory from 2005 with a clear vision of producing teachers who could open the mind and touch the hearts of children. Eighteen years of successive success cannot be achieved hands down. Gaining new knowledge, experience and achieving the goal is not an overnight attainment. Introduction of new methods, use of technology has brought out the desired outcome.

“For teachers, knowledge is not a fixed commodity that can be easily transmitted by rote. It is a fluid, complex, and interactive process of exchange.” – Chinua Achebe

This year’s magazine is a proof of hard work of VCE.

May it help them to achieve their goal!

Shree DATCHNAMOORTHY

REGISTRAR

SMVMCH

FOREWORD

It is with immense pride and heartfelt enthusiasm that I present this edition of Venkateswara college magazine — a vibrant tapestry of ideas, creativity, achievements, and reflections from the brilliant minds of the student community.

A college is not merely a place where knowledge is imparted; it is a space where dreams are born, talents are nurtured, and voices find the courage to be heard. This magazine stands as a testament to that spirit. Each campus event and feature within these pages showcases the intellectual depth, artistic flair, and curious spirit that define the student body.

This publication is not only a celebration of academic and co-curricular achievements but also a mirror of the times we live in. It reflects the concerns, aspirations, and vision of a generation ready to shape the future.

I extend my deepest appreciation to the editorial team, the contributors, and all who supported this initiative. Your dedication and creativity have breathed life into these pages.

May this magazine inspire, challenge, and connect everyone who reads it.

ABOUT THE

ABOUT THE COLLEGE

Sri Manakula Vinayaga Educational Trust established Venkateswara College of Education to impart quality education to the teacher trainees who are the backbone of our country. A wide range of career opportunities are available today to the teaching community and this is sought to be facilitated by our Trust. Venkateswara College of Education, a self financing institution was established in the year 2005 by obtaining due permission from the Government of Puducherry, recognized by the National Council for Teacher Education, Southern Regional Committee , Bangalore and affiliated to the Pondicherry University, Puducherry.

Vision

To bring about in renaissance much required for true education i.e. integration of mind, body and soul.

Mission

Teaching and Learning are dynamic, interactive life-long process. Hence our Mission is to prepare teachers who will be executive leaders and passionate life-long learners and assume top position. Formerly Teacher Education centered on teaching, but now, the scenario has changed from teacher- centered to child – centered Education and there is a shift from “Teaching” to “Learning”. Our educational objectives are based on this perspective and are set to bring about the overall personality development of our student teachers.

Objectives:

- ⇒ Motivate the children to learn
- ⇒ Understand and practice various methods of teaching to facilitate learning
- ⇒ Organize different ways of learning
- ⇒ Create proper classroom climate which is conducive to learning
- ⇒ Select and use appropriate technological aids for learning
- ⇒ Handle multi grade situations to promote learning
- ⇒ Effectively use assessment of achievements

Infrastructure

- ⇒ Spacious Classrooms and seminar halls with proper ventilation.
- ⇒ Well-equipped laboratories for Physical science, Biological science and Psychology.
- ⇒ An automated library, well furnished providing reading and borrowing facility.
- ⇒ Caring, supportive and nurturing campus environment.
- ⇒ Canteen on campus
- ⇒ ICT lab and language lab providing individual learning facility.
- ⇒ Well experienced and qualified faculty members.
